EDUCATION

Harvard University, Cambridge, MA
BS in Mechanical Engineering, GPA: 3.792/4.0

Expected May 2028

WORK EXPERIENCE

Thornton Engineering, Geelong, Australia
Boilermaker

July 2023 - July 2024

- Contributed to fabrication of roughly 10 pressure vessels and heat exchangers, for major energy clients including Ampol
- Applied MIG, TIG, and stick welding to assemble vessels to spec, working alongside senior boilermakers in a production shop environment
- Conducted client walk-throughs of projects and shop flow, improving visibility of QA and schedule
- Operated plasma cutting machines across multiple shop floors, supporting fabrication for concurrent vessel projects

Corio Bay Rowing Club, Geelong, Australia
Youth Rowing Coach

March 2023 - October 2023

- Leading a group of 10+ young rowers
- Designed training plans, led workouts, and encouraged young rowers to try the sport

Tasman Holiday Parks, Geelong, Australia
Handyman

November 2022 - May 2023

- Groundskeeping and general maintenance for a large caravan park, including coordinating outside contractors

TECHNICAL SKILLS

- Fabrication: MIG, TIG, stick welding; plasma cutting; shop safety
- CAD: SolidWorks / Fusion 360
- Manufacturing: Blueprint reading; measurement (calipers/micrometers)
- Programming & Tools: Python (basic), Excel, Microsoft Office, Google Workspace

PROJECTS

Autonomous Sorting Robot – ES51 Mechanical Engineering Design

Spring 2026

- Designed and built a robot to autonomously identify, pick up, and sort objects of varying point value on a competition field
- Won the class-wide bracket-style tournament against 8 other teams, finishing undefeated across all head-to-head rounds

Electro-Pneumatic Pipe Organ – GENED 1080: Engineering Sound

Fall 2025

- Built a working miniature pipe organ combining acoustic and electronic elements studied throughout the semester
- Recognized as the project that incorporated the most class concepts out of all final projects submitted

LEADERSHIP & ACTIVITIES

Harvard Varsity Men's Rowing, Cambridge, MA
Lightweight Rower

August 2024 - Present

- Committed 35+ hours during the week to practice, lift, and compete throughout the spring season and 20+ hours in the fall/ winter
- Member of the Harvard Lightweight Varsity 8+ that went undefeated for the 2025 and 2026 season
- IRA national championship winner in the 8+ 2025 and 2026
- 2025 Henley Royal Regatta champion in the Temple Challenge Cup event (student 8+)

Beach Patrol Australia, Geelong, Australia

April 2024 – August 2024

- Volunteer:* Helped clean up local beaches on Sunday mornings

Geelong College House Prefect, Geelong, Australia
Prefect

January 2022 - November 2022

- Main organiser for house events and mentor/buddy for younger students joining the house
- Received the McArthur house spirit award for the student best upholding house values

SKILLS & INTERESTS

- Skills:* Public Speaking, team leadership, time management
- Interests:* Sports, music, travel, reading, aviation (*Private Pilot License*, 60+ hours flight time in single engine aircraft)
